

POLICY 03 — COMPLIANCE

Research-Use-Only Disclaimer

Effective August 9, 2026 · Version 1.0

All materials supplied by Ares Research Lab are chemicals intended exclusively for laboratory research conducted by qualified professionals. This document sets out the terms every purchaser accepts at checkout.

1. Intended use

Products are sold strictly as research chemicals for **in-vitro** laboratory study and analytical reference. They are **not** drugs, dietary supplements, cosmetics, food, or medical devices.

2. Prohibited uses

- Human consumption, administration, injection, ingestion, inhalation, or topical application of any kind.
- Veterinary or any other in-vivo use in animals.
- Diagnosis, treatment, cure, mitigation, or prevention of any disease or condition.
- Resale, repackaging, or distribution for any of the above purposes.
- Use in food, beverage, cosmetic, or supplement manufacturing.

3. No regulatory approval

These materials have not been evaluated or approved by the U.S. Food and Drug Administration or any comparable authority. No statement made by Ares Research Lab, on its website, in its documentation, or in its correspondence, should be read as a therapeutic claim.

4. Purchaser responsibilities

- You confirm you are at least 21 years of age and are purchasing on behalf of a research entity or as a qualified researcher.
- You are responsible for handling, storage, containment, and disposal in accordance with applicable law and institutional safety policy.
- You are responsible for confirming the legal status of each compound in your jurisdiction before ordering.
- You will not represent, market, or resell these materials as suitable for human or animal use.

5. Limitation of liability

Materials are supplied as-is with respect to their stated analytical composition and without warranty of fitness for any particular purpose. Ares Research Lab accepts no liability for loss, injury, or damage arising from any use outside the scope defined in Section 1. Any misuse voids all remedies otherwise available, including shipment protection.

6. Acceptance

Placing an order, passing the age gate, or accepting delivery constitutes acceptance of these terms and of the Terms of Service published at aresresearchlab.com/terms.
